Young Rembrandts Lesson Summary

WINTER BIRDHOUSE

A colorful bird with patterned feathers perched on the base. Fluffy snow piled on pointed tops, circles, and vertical lines.

SNOWBOARD

A colorful snowboarder racing down mountain slopes. Fun to illustrate. This exciting scene gives a dynamic pose and helps strengthen our figure drawing skills.

SKATING ELEPHANT

A delightful pachyderm with human-like qualities, transforms into a fully-realized cartoon character. This fun illustration provides excellent practice for drawing dynamic figures.

AMERICAN GOTHIC

Artist Grant Wood and his famous portrait. This iconic composition is one of the most celebrated, reproduced, and parodied images in Art history.

SWAN GRAPHIC

Our swan's long neck complements its elegant body. Multiple layers form a nature scene with tall grass and cattails in the foreground and background.

PENGUIN

The penguin's bold colors provide contrast against the icy, cold scene. More layers give the sense of distance.

Your child will learn these skills and techniques during Young Rembrandts' classes. Each week your child draws new images, learns new vocabulary and has fun discovering art and the Power of Drawing!
