Week View displays assignments and attendance per class in a convenient Monday thru Friday view.

1. *Week Control* – Clicking the arrows moves forward and backward one week at a time.
2. *Class* – This column displays information about each class the student is enrolled in for the current marking period.
3. *Current Average* – Displays the most recent grade. This is a “live” grade. To view a complete list of assignments, click the the overall grade or go to the Classes section.
4. *Week Days* – This section displays the assignments and the grade earned on the assignment. Attendance information (if available) will also be displayed in this window.

### School Links

Locker & Password Info

The “School Links” tab displays a link to see the student’s locker and district login information.
