

WHAT: Hill Builders Club is an extracurricular club offered to all students. It is sponsored by the Kiwanis Club of Naperville Evening. You may be familiar with the Key Club, which is currently present at Metea Valley and Waubonsie Valley High Schools, or Circle K Club at the collegiate level. Builders Club is very similar, but with a middle school focus. Hill is the first middle school to begin Builders Club in our District. The Club has been extremely successful by helping others in our community, while providing our students the opportunity to become effective leaders amongst their peers. During our meetings, the students will be partaking in service projects, both at Hill and within the surrounding community.

WHERE: Builders Club meets in the Chorus Room at Hill Middle School.

WHEN: The club meets immediately after school, once a month, but always check the calendar to be sure of the date. Ending times will vary depending on the projects being completed.

TENTATIVE SCHEDULE: A calendar with dates and times will be provided during the first few general information meetings. The calendar, along with other reminders, will be available on our Google Classroom page.

Google Classroom Code: qy1yp7

FACILITATORS: Mrs. Zinkevicius(skaiste_zinkevicius@ipspd.org) and Mrs. Fazio(loni_fazio@ipspd.org)

PLEASE NOTE: It is very important that your child has transportation on the specified dates listed on the Club calendar. **There will be no supervision upon the completion of the meeting; therefore it is imperative that students are picked up on time.** Students who do not walk or have transportation immediately following the meeting should not participate in the Builders Club.

Because of the overwhelming response of kids that want to be in Builders Club, students that miss more than three meetings will be replaced by a student on the waiting list.

Warmly,

Mrs. Skaiste Zinkevicius and Mrs. Loni Fazio

2018-2019 B.C. PERMISSION FORM

By signing this slip, you are giving permission for your child to participate in Hill Builders Club. You are also agreeing to the meeting absence requirements and to providing transportation home at the specified times indicated on the calendar. Please fill in the information and have your child return the bottom portion to a Builders Club facilitator prior to the first meeting.
