Time Castaways: The Mona Lisa Key, \$16.99 (Hardcover)

Mateo, Ruby, and Corey Hudson's parents don't have too many rules. It's the usual stuff: Be good. Do your homework. And never ride the subway without an adult, EVER. But when the siblings wake up late for school, they have no choice but to break a rule. The Hudson siblings board the subway in Manhattan and end up on a frigate ship in Paris...in the year 1911. As time does tell, the Hudson family has a lot of secrets. The past, present, and future are intertwined—and a time-traveling ship called the *Vermillion* is at the center. Racing to untangle the truth, the kids find themselves in the middle of one of the greatest art heists of all time.

Thrilling Thieves, \$16.99 (Hardcover)

What do Mother Theresa, Honest Abe, and Mahatma Gandhi have in common? They're all too good for this book, that's what. Sure, you'll find some familiar faces like Queen Elizabeth I and Thomas Edison in here, but you'll learn that behind their angelic smiles were cunning con artists who stole their way to gold and greatness. Follow the trail of twelve troublemakers to learn what really made the *Mona Lisa* the most iconic painting in the world, meet the most powerful pirate from history (it's probably not who you're expecting), and watch empires rise and fall with the theft of a simple tea plant. Turns out our world owes a lot to those who dabble on the dark side.

Red: The (Fairly) True Tale of Red Riding Hood, \$7.99 (Paperback)

Red is not afraid of the big bad wolf. She's not afraid of anything . . . except magic. But when Red's granny falls ill, it seems that only magic can save her, and fearless Red is forced to confront her one weakness. With the help of a blond, porridge-sampling nuisance called Goldie, Red goes on a quest to cure Granny. Her journey takes her through dwarves' caverns to a haunted well and a beast's castle. All the while, Red and Goldie are followed by a wolf and a huntsman—two mortal enemies who seek the girls' help to defeat each other. And one of them just might have the magical solution Red is looking for. . . .
