21st - 23rd - No School (Thanksgiving Break)

Picture Retakes - Tuesday, October 16th will be Picture Retake Day at Clow School. If your child was absent on picture day earlier in the school year, he/she will have a picture taken on October 16th. If you would like your child to get a picture retaken, he/she will need to bring in the picture packet that was sent home last week. Only those students who were absent or who return the pictures for retakes will be photographed on October 16th. Please call the school office should you have any questions.

School-Wide DEAR - Instilling our students with a love for literature and for reading is something that the Clow staff and I believe to be critical when promoting life-long learning in our students. This year, we look forward to "Dropping Everything And Reading" (DEAR) together as a school community. One time each month, we will set aside 20 minutes for reading together. Students can bring a book from home or choose one from a classroom library or the LMC. We'll begin this school-wide initiative on Thursday, October 11th. If your schedule allows, feel free to "Drop Everything and Read" at work or at home from 9:10-9:30 that day. I'm sure your student(s) would be excited to know that you enjoy and take time for reading, too!

Third-Party Educational Programs - The following companies have rented space in our schools to offer an after-school educational program for students. The distribution of this material is in no way an endorsement of programs, services, activities or products by District 204. For more information about the programs listed below, visit:

[Clow: Let's Build It Engineering!](#)

Wishing you and your family an enjoyable long weekend!

In Cougar Pride,

Katie Bennett | Clow Elementary School Principal
