

Calling All Middle Schoolers! Join Us For...

# STEM FEST!

Waubonsie Valley's GEMS Club is hosting a night in Science and Engineering for District 204 middle schoolers. High school students will help them through activities focusing on engineering, genetics and coding. Be sure to swing by the planetarium for a view of the night sky!

This program is free to in-district middle schoolers.  
Students are also welcome to wear their Halloween costumes!!!!

For parking, please follow the signs to the Planetarium and park in the lot. Enter through door 10.

**When:** October 27th @ 9-11AM

**Where:** Waubonsie Valley High School,  
Rooms 178 & 179
