

Halloween Party Candy Donations!

We are asking families to donate candy for the trick or treating portion of our evening Halloween Party on Friday, October 26, 2018. In years past, we have run out and not all students have been able to partake. Your assistance would be greatly appreciated as the PTA does not want any children at the party to miss out on trick or treating this year! Looking forward to another great Halloween Party! Thanks for your support!
