

IPEF Team Kendall

On Sunday, October 21st, several of our fabulous Kendall staff members, along with some fabulous Kendall parents, participated with Team IPEF (Indian Prairie Educational Foundation), in the Naperville Half Marathon & 5K Race. They all worked so hard at raising funds for this amazing foundation, which provides funds to support educational enrichment opportunities for all of the schools in our district. They also got up very early and rocked the 5K in chilly temperatures on Sunday! Thank you again Team Kendall, and all who supported our fundraising efforts. It is truly appreciated!
