Dear 5th Grade Parents,

We would like to invite you to an Encore Presentation Night at Still Middle School on Thursday, **January 24, 2019 at 6:30 pm**. During this event we will have our Art, Band, Chorus, Instructional Technology, Family & Consumer Science, World Languages, Health, Orchestra, Physical Education and Technology Education & Engineering teachers highlight their courses so you are better able to plan with your children about their middle school encore choices.

During the first few weeks of January, our Guidance Counselors and I will be visiting the Elementary schools to provide students with an overview of their Middle School encore choices. Students will bring a copy of their course selection sheet home as well as a letter that contains a description of the courses offered here at Still.

The following is an outline of the Encore Presentation Night and we look forward to seeing you.
