CODE. PLAY. GAME.

Have you ever been playing your favorite video game, and thought "I could make this so much better?" Join the Still Bulldogs Game Design club to experiment with those ideas and make your own cool video games on the computer. Build a racing game, a maze game, a falling objects game, and more. Invite your friends to play with your creations in the Still Bulldogs Game Design class. We will use the NEW Scratch 3.0 for all of our coding.

This club is for EVERYONE! All 6th grade, 7th grade and 8th grade students are invited! No previous coding experience is needed! Earbuds or headphones are needed every week.

WHEN: Tuesdays 3:00 to 4:00
DATES: 2/19, 2/26, 3/5, 3/12, 3/19, 4/9, 4/16, 4/23
WHERE: Still Room E45

It is important that you are able to attend all of the sessions because we will be building on what we learn as we progress through the club.

Please complete the bottom portion of this sheet and get your parent's signature. This permission slip needs to be returned to Mrs. Johnson in E45 by Friday, February 15th.

If you have any questions, please email Mrs. Johnson at michelle_johnson@ipsd.org
