

Young Multicultural Fair 2019 Is Coming!!!!

Dear Young Families,

We are very excited to announce that our 11 th. Annual Multicultural Fair will be held on Wednesday March 13, 2019 from 6:00-8:30 PM. This year we will incorporate the spring theme of the Festival of Colors in which everyone celebrates friendship and kindness to all. We will once again have a VR Wax Museum. Students who are interested in participating will research a famous person from the same country as their own and create a board with pictures and factual information. Students will then give a BRIEF presentation (10-15 SECONDS) about the famous person while dressed in costume as this person. We are very excited to bring this fun technology back to the fair this year, and specific information will be sent to those interested.

In addition we will be having great food, music, dance, art, and much more. We will be sending home kite patterns for families to decorate with colors, symbols, or other materials that show off your family's culture. These will be displayed around the school for the night of the Fair. If you are interested in providing food from your country and/or participating in the Wax Museum, please provide the information requested below and return to school by **Friday February 15.**

Please contact Ms. Patel at jhankhna_patel@ipsd.org or Mrs. Wilhelm at judy_wilhelm@ipsd.org with any questions .Stay tuned for more information as the date approaches. We look forward to celebrating the wonderful diversity here at Nancy Young!
