Field Day 2019

Field Day is fast approaching and help is needed! Field Day is **Tuesday, June 4, 2019**. Rain date is **Wednesday, June 5, 2019**. If weather permits we are outside all day. Help is needed to run each activity outside. Parents explain the activities to the students. If you would like to help please fill out the form below with all the times you will be able to help. I would like the form **back by May 24** if you are planning on helping and an email will go out **June 3** to remind you about Field Day. If you do not get the form in on time for the reminder email, please still turn it in and plan on coming to help. All help is appreciated for Field Day. If you have younger children you will need to make arrangements for them, because you will not be able to bring them with you to Field Day.
If you are planning on helping bring a hat, sunglasses, and might want to wear sunscreen. Water will be provided for parents that are helping.

For your students: Please put sunscreen on at home before they come to school, do not send sunscreen with them. Students are encouraged to bring a water bottle (please put their name on it), there will be a place for them to fill them up during the day. They can wear a hat and sunglasses. They are responsible for their things during the day, not their teachers. Students also need to wear gym shoes for Field Day.

IF you have any questions, please email me or call. debi_steffenhagen@ipsd.org or 630-375-3714. I am at Peterson Elementary School Thursday afternoons and all day Friday if you call during that time I will not be able to answer until Monday.

++
