

Kendall PTA Celebrates Principal Lena Guerrieri

We want to send many well wishes to our fabulous principal, Lena Guerrieri. After 19 years of service to our students at Kendall Elementary School, first as our Student Services Coordinator for 7 years, and the remaining 12 years as our school principal, she is retiring. We hope that she enjoys many days of celebration and relaxation in her retirement. The students and staff, current and former of Kendall Elementary will miss you!

Thank you and congratulations!
