LMC News – Fall Book Fair

The Book Fair is Coming!

Steck's Fall Book Fair is coming! It will be held in the LMC from Wednesday, Nov. 20th - Friday, Nov. 22nd. [Here](#) is more information regarding hours, shopping, Wish Lists and more. All purchases support the LMC!

Testing Notification Statement

District 204 offers a variety of academic programming to meet the needs of our students. Although assessment occurs throughout the school year for all students, some programs require additional information gathering in order to determine appropriate placement. The Identification Timeline, located on the District website, provides general information regarding identification for the **Project Arrow Program** and the **Accelerated Mathematics Program**. Letters with specific testing details will be mailed from schools to parents of students for whom further evaluation is recommended. Additional information about either of these programs can be found on the District website or by contacting your child's classroom teacher or school's Student Services Coordinator.

Third-Party Educational Programs

The following companies have rented space in our schools to offer an after-school educational program for students. The distribution of this material is in no way an endorsement of programs, services, activities or products by District 204. For more information about the programs listed below, visit:
