

Have extra formal shoes, purses and accessories lying around?
Donate those gently-used items to Valley Runway!

Most needed items this year are shoes and purses!

This program gathers new and gently-used prom, homecoming, and formal dresses and accessories that will be offered at no cost to low-income high school juniors and seniors in District 204. Each year one of the unmet needs continues to be shoes, purses and accessories.

IPPC will be collecting these gently-used items until **February 20, 2020**.

Thank you for your support!
