

**INVITING ALL FRY ELEMENTARY  
SCHOOL STUDENTS**

# **SCIENCE FAIR**

**Have a  
question you'd  
like answered?  
Does crossing  
your fingers  
really give you  
good luck?**

**MONDAY, MARCH 2, 6:30PM**

**This is a great opportunity to  
design and perform your own  
science experiment and present  
the results to guest judges.  
All participants will receive a  
Science Fair Certificate and a  
special memento!**

**To participate, complete the online registration  
form. Students can work individually or in teams.  
Participants will perform their experiments at  
home and create a digital or trifold display  
explaining their project and results.**

**There will also be many interactive activities at the  
science fair. So get ready to explore, learn and be amazed!**
