## **Fry's Got Talent 2021!**

### **Fry's Got Talent Digital Presentation Submissions Due: 1/27**

Do YOU have talent? We hear that you do, and we hope that you will share it with us all. Come one...come all. Sing. Dance. Play guitar, piano, violin, or drums. Juggle. Magic acts. Be creative. Dare to be different because *Fry's Got Talent* is coming!

This year, the Talent Show will be slightly different. Please submit a video recording of your child doing his/her talent. Siblings are allowed to do an act together if they would like. To adhere to COVID guidelines, no large group performances will be accepted. All submissions are due on January 27th. After all submissions are received, we will string all the submission videos together and send out a link so that everyone is able to watch all of our amazingly talented Fry Foxes from the comfort of their own home. This show will be a talent showcase and not a contest, and each participant will receive a certificate and a small prize for participation. Everyone is a Winner! Talent show guidelines:

- Content appropriate for an elementary audience (no explicit language, theme, etc.)
- Your act or talent should be held to **2 minutes or less** (to allow for more acts)
- Unlike previous years, there will be NO AUDITIONS, however please limit to only **one** submission per student please
- Please fill out the audition form below and email it along with your child's video clip to [adivjay@gmail.com](mailto:adivjay@gmail.com) by January 27, 2021
- Once all submissions are received, you will receive more information on how to view the talent show online
- Please direct any questions to Soumya Jayasankar at [adivjay@gmail.com](mailto:adivjay@gmail.com) or 734-239-3599
