

PRAIRIE CHILDREN PRESCHOOL SCHOOL SUPPLIES AND REQUESTS

Backpack: A backpack (no wheeled carts) is necessary to transport important information and projects from home and school. Please consider your child's size when purchasing a backpack; an 8 ½" X 11" size is appropriate.

Supplies: A donation list is found on the backside of this page. Donations are not required but always appreciated. Donated items will not be returned at the end of the year.

Clothing: Please send your child in comfortable clothing that is acceptable for messy play. Clothing should not discourage your child's active participation. Also, please send your child with closed toed shoes (i.e., no flip flops or slides). Closed toed shoes are for your child's safety during daily motor time. Clothing and shoes should also be appropriate for the weather. In case of accidents, an extra set of clothing is requested. Please send extra clothing for both cold weather (long sleeves, pants, socks and underwear) and for warm weather (short sleeves, shorts, socks and underwear). All clothing should be labeled with your child's name.

Potty Training: Potty training is not mandatory, but is encouraged.

Bicycle Helmet: There will be opportunities for your child to ride tricycles at school. Please provide a helmet for your child to be kept at school during bike-riding seasons. Helmets should be labeled with your child's name.

Snack Time: Please send a healthy nut free snack and water bottle to school each day for your child. Snacks and water bottles should be labeled with your child's name.

Allergies – IMPORTANT: Several children in the Preschool have severe allergies to all nut products. A life-threatening anaphylactic reaction can occur when one of these children has skin contact or ingests even small amounts of certain products. Strict avoidance is the only way to prevent an allergic reaction. It is also important to speak to your child about **never** sharing any food or snacks with the other children.
