The Growing Place – Naperville

25w471 Plank Rd, Naperville, IL 60563
Phone: 630-355-4000

We've been nestled on Plank Road since 1936. Beyond our small front lawn lies more than 4 acres of a botanical garden style garden center that is brimming with a vast selection of plants, accents, containers and display gardens. It's almost like you are shopping in someone's backyard. Mature trees line the drive offering shade while you discuss your garden needs and get advice from our expert staff.

The Growing Place in Naperville is located on Plank Rd in northeast Naperville. If coming from I-88 exit at Naperville Rd (Exit #57), follow the signs to Naperville Rd (Naper Blvd) and head south. Continue past Ogden Ave and turn right onto Plank Rd. We are located three blocks west of Naper Blvd on Plank Rd.

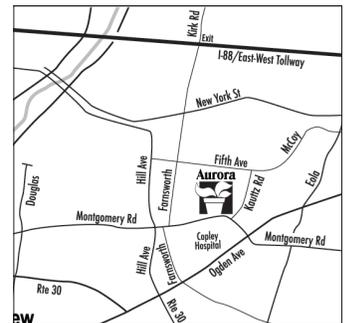

The Growing Place – Aurora

2000 Montgomery Rd, Aurora, IL 60504
Phone: 630-820-8088

Started from bare ground in 1989, the Aurora location has grown into a garden oasis for all who visit. Our gift shop is located in a historical landmark – a farmhouse, circa 1860, we moved to the property in 2000. Kids and adults can let their imaginations run free while exploring our gardens.

Our 18-acre Aurora location is also home to our production facilities where we grow most of our perennials, annuals, herbs, vegetable plants, and mums for both locations.

The Growing Place in Aurora is located on Montgomery Rd, two blocks north of Ogden Ave and about 7 minutes west of the Fox Valley Mall if you are traveling from the east. If you're traveling from the west, we are only 3 minutes east of the Rte 30/Rte 34 intersection.

The Growing Place will donate 10% of income from your organization's product purchases. Purchases may be made at either location on the date indicated above. This coupon must accompany purchase. To be used only by organization listed above.
