

Q U A R T E R 1

the WVHS PTA

Dear Warrior Families,

With the holidays fast approaching, we are completing a focused instructional time with little disruptions. I hope the last 12 weeks you have seen growth from your student as they have settled in and continued to work hard in preparation for college and career readiness. Continue to encourage them, and remind them that learning is growing. This growing happens over time with hard work, accountability and perseverance. As a reminder, you will be able to view Waubonsie's School Report Card starting the month of November. School report cards are being released by the state on October 30th and can be viewed by following the link <http://www.illinoisreportcard.com/> and typing in our school "Waubonsie". We are still awaiting the release of PARCC (Partnership for Assessment of Readiness for College and Careers) data, and how the transition of this assessment will be communicated on our report card.

The fall athletic season has been nothing short of success for our Warriors. As we transitioned into the DuPage Valley Conference we saw great success, while keeping the heart of our competitions more local. We continued the streak of football playoff appearances and wins, our girl swimmers are preparing for a strong finish, and many of our other sports are in the heat of state series competitions. A great time to be a Warrior athlete and fan!

Adding to the conclusion of fall, our Fine Arts department has been in the middle of some amazing productions. We will be presenting *A New Life* as this year's fall main stage production starting November 12th. Our Varsity Choir and Singers will be performing *Dia de los Muertos* at Wentz Hall on November 1st, and at the Orchestra Hall in Chicago on November 2nd. I am always impressed with our students as they take to the Fine Arts here at the *Original Valley!* Hopefully you can find an opportunity to see our students shine on these stages. Lastly, I want to wish everyone a safe and relaxing holiday season. This coming month allows all of us time to be grateful for those in our lives, and time with one another. I hope you are all able to use this time to reconnect, relax and refresh for the New Year!

As always, it is a pleasure to serve as your principal.
