

Are you a video gamer or piano player - if so, will you have you faster reaction time in sports?

What's the science behind the perfect kick?

Complete by 2/27/17 and return to school

Fry Science Fair 2017

Find Out! Do an experiment!

All Fry students and their parents are invited to participate in our second elementary school science fair on **April 6th, 2017**. The primary goal of this fun event is to develop a positive attitude towards science, technology, engineering and math (STEM).

ALL STUDENTS K-5th ARE WELCOME TO JOIN!

Date: April 6th, 6:00pm to 8:00pm

Registrations Due: February 27, 2017

Complete information planning guide and documents, safety rules and resources are now available on the school website under PTA STEM tab.

Registration

To register, please complete the form attached and return it to your teacher. *Students must pre-register to participate.* Participants may work on a project in groups of up to 4 students from the same grade and siblings from different grades may work together.

Volunteers Needed

Please consider volunteering to help with set up and clean up the evening of the science fair. Also please indicate if you would be willing to be a Judge, which entails talking to the children about their projects. – NO SCIENCE background needed. Thank you, fill in your contact details on the registration form attached.

Questions? Please contact: Caoimhe Dardis – caoimhemdardis@gmail.com or Diana Houck - dihouck@yahoo.com
