_____ ***Dragonwatch***, New -3/14/17 - Hardcover \$18.99

In the long-awaited sequel to Fablehaven, the dragons who have been kept at the dragon sanctuaries no longer consider them safe havens, but prisons and they want their freedom. The dragons are no longer our allies....

In the hidden dragon sanctuary of Wyrmoost, Celebrant the Just, King of the Dragons, plots his revenge. He has long seen the sanctuaries as prisons, and he wants nothing more than to overthrow his captors and return the world to the Age of Dragons, when he and his kind ruled and reigned without borders. The time has come to break free and reclaim his power.

No one person is capable of stopping Celebrant and his dragon horde. It will take the ancient order of Dragonwatch to gather again if there is any chance of saving the world from destruction. In ancient times, Dragonwatch was a group of wizards, enchantresses, dragon slayers, and others who originally confined the majority of dragons into sanctuaries. But nearly all of the original Dragonwatch members are gone, and so the wizard Agad reaches out to Grandpa Sorenson for help.

As Kendra and Seth confront this new danger, they must draw upon all their skills, talents, and knowledge as only they have the ability to function together as a powerful dragon tamer. Together they must battle against forces with superior supernatural powers and breathtaking magical abilities. How will the epic dragon showdown end? Will dragons overthrow humans and change the world as we know it?

Fablehaven (Fablehaven Book 1), Paperback \$7.99 _____

For centuries mystical creatures of all description were gathered into a hidden refuge called Fablehaven to prevent their extinction. The sanctuary survives today as one of the last strongholds of true magic. Enchanting? Absolutely. Exciting? You bet. Safe? Well, actually, quite the opposite.

Kendra and her brother, Seth, have no idea that their grandfather is the current caretaker of Fablehaven. Inside the gated woods, ancient laws keep relative order among the greedy trolls, mischievous satyrs, plotting witches, spiteful imps, and jealous fairies. But when the rules get broken, powerful forces are unleashed, and Kendra and her brother face the greatest challenge of their lives. To save their family, Fablehaven, and maybe even the world, Kendra and Seth must find the courage to do what they fear most...
