

Make It, Take It Night

A Family Creation Station Event

Do you like making things in the Creation Station? Do you like when your family comes to White Eagle with you? Wish you could make something with your family at the Creation Station? Then come to **White Eagle's Make It, Take It Night!**

Who: All White Eagle students and families.

When: Monday, May 22nd from 6:30 - 7:30 pm

Where: White Eagle LMC

What: Come and make a Discovery Tube in the Creation Station to support our White Eagle runners.

Details: For a small donation of \$3, your child can make (and take) a Discovery Tube. Come anytime between 6:30 - 7:30 pm with your child to make your tube. All the materials needed to make the tube will be provided. **A \$3 donation and RSVP prior to the event is required to participate.** Students will create 1 tube and a guardian must stay with the child during the event.

Why: This program is offered as a fundraiser to support IPEF Team White Eagle in our efforts to help provide funding for IPEF-Sponsored educational activities in our school district, which will benefit *all* students at White Eagle and to have fun!

Please cut and return this slip with your \$3 by May 17th.

My child _____ will be attending the Make It, Take It event. I understand that a guardian must stay with the child during the event. I understand my child will make 1 Discovery Tube per \$3 donation.
