Lin Pan - Chinese	

The Seal of Bilingualism is an award given by the district and state in recognition of students who have studied and attained proficiency in two or more languages by high school graduation. The Seal of Bilingualism encourages students to pursue bilingualism, honors the skills our students attain, and can be evidence of skills that are attractive to future employers and college admissions offices.

Congratulations! These outstanding seniors are truly global-ready. We honor their commitment to language and global citizenship.
