Dear Owen Parents/Guardians;

On behalf of the Owen teachers and staff, I want to personally invite you to this year's **Curriculum Night**. We will continue to provide you **two sessions for classroom presentations** and an **opportunity to hear from our specials and support teachers**. This includes our Special Ed, Reading, Speech, Project Arrow, ELL, Psychologist, Social Worker, Occupational, Physical and Adaptive PE Therapists, Interventionist, as well as, our Student Services Coordinator.

We thank you in advance for completing the evaluation form at the end of the evening. We want to know what went well and what we could adjust to make the presentations for you even better.

This evening is for you to hear from your child's teachers about the curriculum he/she will be learning this year. **There is no day care available**, so please make arrangements for the evening for your child. Children can not be left unsupervised in the school.

For the safety of everyone, **please remember there is NO parking next to any fire lane (red curb)**. These are marked in the circle drive and along the sidewalk by the playground. This is an enjoyable and informative evening and I would be disappointed if anyone left and found a ticket on their windshield.

An **agenda for the evening is on the following page**. Your child's teacher will be sharing the information with you soon, if they haven't already done so.

If you have any questions, please contact the school or your child's teacher for answers. We look forward to seeing you soon.

Thank you and your child for a marvelous start to the school year!

**Kids First,
Mrs. Earlenbaugh**
