The Indian Prairie Parents' Council Unity Committee, in conjunction with District 204 Community Relations Department, is sponsoring a

Fall Coat Drive

Fall is the time of year to clean out our closets, and during the month of October, we are holding a district-wide winter coat collection. Due to the growing need in our district, we are collecting new and gently-used, warm, clean coats of all sizes from infant to adult. The coats will be distributed to families in need within our district in early November.

The Nancy Young PTA will be collecting gently worn coats from October 2th to the 27th. Please drop off donations at NYE. There will be a large box in the lobby for donations.

If you have any questions about the coat drive in your school, please contact your local PTA/PTSA or contact IPPC Secretary, Shelley Morgan at ippcpta@gmail.com. – Please put COAT DRIVE in the subject line.

Mr. Rob Maldonado, Spirit Council Advisor
Mrs. Anargyros & Mrs. Nugent, Nancy Young PTA Co-Presidents

Good afternoon- October 12, 2017

This is Mr. Maldonado, Mrs. Nugent and Mrs. Anargyros with a great opportunity to get involved at Nancy Young and help our troops during the holiday season! During the next several weeks, the Nancy Young Spirit Council and the Nancy Young PTA are partnered together to support Operation Support Our Troops for the 2017-2018 annual PTA school service project. A small overview of the history and mission of Operation Support Our Troops has been included below:

"Founded in 2003, Operation Support Our Troops-America is a grassroots effort that has become one of the largest volunteer based military support organizations in the country. Over 500 volunteers give well over 10,000 hours each year in service. As a 501(c)3 non-profit organization, we endeavor to provide comfort and care at home and away to our active duty military, families and veterans. Members of the military community from all across the United States have been served by the programs of Operation Support our Troops America."

"The mission of Operation Support our Troops is to support the morale and well-being of American forces by providing comfort, resources and education to them and their families both while they are deployed in harm's way and after their return. We accomplish this by providing a link between the citizens and military personnel so that everyone has the opportunity to express their support. This allows us to send comfort packages of items that are not readily available to our troops in their deployed locations, along with personal letters, cards and notes of support from the community at large."

"We are also dedicated to supporting our veterans and families of fallen through our programs that offer hope and healing as well as facilitate awareness in the community as to their needs."

On the reverse side of this letter, you will find a wish list of items for donation to Operation Support Our Troops. A collection bin will be available in the gymnasium from October 17 through November 8. Any donation is welcomed and appreciated.

If you would like to learn more about Operation Support our Troops visit the website at http://www.osotamerica.org/

Thanks in advance for helping our troops overseas and have a great day!
