

Calling All Fry Families!!!

Something exciting is in the works!

A show will take place during **Fry Families United Night (FFUN!)** on December 6 and we need your help to make it happen!

All children from kindergarten to fifth grade are welcome to participate!

What do we need from you?

- A special outfit your child wants to showcase
- Some light dancing and speaking skills (this will be easy, promise!)
- Lots of enthusiasm and smiles! 😊

So, what is a special outfit you ask?

It can be a Japanese Kimono, a Polish folk dress, a favorite sports team uniform, a Native American tunic with moccasins, an Agbada from West Africa, a Pathani suit from the Himalayan valley, a Latin American Pollera... See where we are going?

You are welcome to share any outfit from your own culture or a different culture (maybe you brought back something from a super fun vacation or a friend could lend you an outfit).

If your child is interested in participating, please email us **by Friday October 27** and provide us with **your child's name, grade/classroom, a brief description of the outfit/accessory your child will be presenting along with the region it represents.**

Slots are limited!
