

Season of Sharing

Participate in the Season of Sharing by picking tags off The Giving Tree (located in the office starting **November 6, 2017**) and provide much needed items to the children of the Steck community that would otherwise go unfilled during this holiday season.

To participate, please do the following:

- Take a child's wish tag off the tree
- Please write your name and the child's number (on the wish tag) on the clip board so that we can keep track of the families filling wishes
- After filling the wishes, please wrap the items and affix the wish card to the gifts so that we know what gifts are for which child (if you have more than one wrapped item, please consider putting all gifts in a large bag and affixing the wish card to the bag).
- Please be aware that there are no duplicate tags. Items listed on the tags are not repeated on other tags for the same child. In the past, many people have donated more than one item from the tag.
- Wrapped gifts can be returned to the Steck office any time before December 15, 2017.
