

# Fry Families United Night (FFUN)

Dear Fry Foxes and Fry Families,

December is approaching and the days are getting colder. What a perfect opportunity to meet with your neighbors and friends in a warm and welcoming environment while having a great time as a family!

Come join the fun during **Fry Families United Night on December 6 from 6:00-8:00 PM** to celebrate the diversity and uniqueness of our community and our world! Siblings and grandparents are of course welcome to join too!

Please consider bringing a **nut-free dish\*** of your choice to share. Whether you prepare a dish your family loves, a beloved recipe passed down by your grandmother, a traditional delicacy, or even a store bought dish you enjoy, all will contribute to the FFUN foodie experience!

See you all on December 6!

Sincerely,

**Your friend Freddie The Fox**

*\*Please bring your dish with an ingredient list (for food allergy purposes) to the Multipurpose Room upon your arrival.*
