WINTER WEATHER ARRIVES TRAFFIC SAFETY REMINDERS

- Please note there are several restricted areas for parking on both Pradel Drive and Meadow Lake Drive. The restricted areas are marked clearly with City of Naperville signs and are enforced by the Naperville Police Department. We ask you respect these areas and use our front and side car pick up lines provided.
- Parking in the front and the side staff parking lot is unsafe for children. They cross lanes of moving traffic. Parents are asked to please use front or side car drop off/pick up lines provided for students.
- City of Naperville restricts left turns into our front circle drive during the following times: 8:45-9:15 am and 3:15-3:45 pm. Please respect the law and access the front car pick line from either Haider or westbound from Meadow Lake. Please call our front office if you need clarification.

- Passing around a loading bus of children is prohibited. Please obey the stop sign the bus uses to indicate “loading and unloading” students. DO NOT GO AROUND until the sign has been lifted. Tickets by the Naperville Police Department will be issued.
