

# READ WITH RUSTY

## Go on a reading power play with the Chicago Steel Hockey Team!

Coming off a successful first season, the Read with Rusty program returns this fall! The 10-week reading power play with the 2017 Clark Cup Champion Chicago Steel is open to children ages 14 and under and is designed to promote a lifelong love for reading, literacy and hockey through partnerships with local libraries and schools.

Read with Rusty encourages children to read outside the classroom by rewarding them for reaching their reading goals over the 10-week timeframe from **Saturday, October 7** (Steel Opening Night) to **Friday, December 15**. Students that achieve their reading goals will receive a complimentary ticket to a Chicago Steel hockey game (USHL) at Fox Valley Ice Arena. On the night of the game, club members can join Steel Mascot Rusty and a player or coach for a pre-game reading session, plus all members will receive a Chicago Steel lanyard and participate in a post-game autograph signing.

*The recommended reading goal is one period of 20 minutes each day totaling 1,000 minutes but this may be adjusted by Parent or Guardian.*

Each Hockey Puck equals 20 minutes.  
Parents/Teachers please initial each puck and date for every 20 minutes. To reach the 1,000 minute mark, we recommend logging 20 minutes Monday-Friday each week using the pucks below.
