## Still Bulldogs Coding Club Session 2

CREATE. CODE. SHARE.

Use the computer to design social games, apps, and animations to share with friends, family and your community. Learn how you can use technology to be social and have fun! Our theme for the second session is social media! We will be coding in Scratch.

This club is for EVERYONE! All 6th grade, 7th grade and 8th grade students are invited!! No previous coding experience is needed!! Space is limited to the first 30 students.

WHEN: Wednesdays, 3:00 to 4:00

DATES: 1/24, 1/31, 2/7, 2/14, 2/21, 2/28, 3/7 and 3/14

WHERE: Still Room E45

It is important that you are able to attend all of the sessions because we will be building on what we learn as we progress through the club.

Please complete the bottom portion of this sheet and get your parent’s signature. This permission slip needs to be returned to Mrs. Johnson in E45 ASAP because space is LIMITED to only 30 students.

If you have any questions, please email Mrs. Johnson at [michelle\\_johnson@ipspd.org](mailto:michelle_johnson@ipspd.org)
