

The Dangers of Alternative Tobacco Products

Still Middle School Parents:

Please join us at Still Middle School on **Monday, March 19th**, from **6:00pm-7:00pm** for a special presentation for parents entitled The Dangers of Alternative Tobacco Products by Nicole Partacz, Youth Prevention Education Coordinator for 360 Youth Services. 360 Youth Services is a nonprofit organization that offers substance abuse prevention education, counseling, and housing. 360 Youth Services serves youth and families in Naperville and the surrounding areas. Nicole will be speaking about the following topics:

- Facts on the usage of alternate tobacco products such as vape-pens, electronic cigarettes, and hookah
- Risk factors associated with alternate tobacco products
- Effects of exposure to alternate tobacco products
- Youth perceptions of alternate tobacco products
- Tips for parents

The 30 minute presentation will conclude with 30 minutes of discussion and Q & A. Light refreshments will be provided.

Please click on the link below to register or contact Lori Poore at 630-375-3921 or lori_poore@ipsd.org.
