SCIENCE FAIR

JUDGES NEEDED!

Wed Feb 28 5:30-7pm

5:30p Set up

6-7p Presentations

The Graham School Science Fair needs some JUDGES

to help listen to student presentations!

We would like to have at least **2-3 judges per grade level** so all the presentations can be heard within our 1 hour time frame. If you are interested in volunteering your time, please let anyone on the STEM committee know, or return the form below to Emily Chen (PTA Mailbox is fine) or email emilychen@gmail.com

Thanks so much for your support!! We truly appreciate it!
