FIFTH GRADE PARENT ORIENTATION PROGRAM

Dear Parents of Fifth Graders:

As we prepare for your 5th graders to become our newest Bulldogs, we want to make you aware of the various activities we have planned during the next few months. Still Middle School will be holding its annual **5th Grade Parent Orientation Program on Tuesday, April 24, 2018 from 6:30PM - 8:30PM.** This program will take place at Still Middle School which is located at 787 Meadowridge Drive in Aurora. During this orientation, an overview of the middle school academic program will be presented, and parents will have an opportunity to hear about other services available at the middle school level. We ask that only parents attend this event as space will be limited. Students will have their own opportunities to learn about the Still experience.

Soon, our Guidance Counselors will visit your child's elementary school to talk to the 5th graders about the Middle School Experience. Students will have the opportunity to ask many questions and hear about the wonderful opportunities Still Middle School has to offer. Beginning in May, our elementary feeder schools have planned trips for new Bulldogs to tour the building. This will take place during the school day and you should be receiving more information from your perspective schools. Finally, please save the following dates for upcoming registration and 6th Grade P.A.W.S. (Peers Are Welcoming Sixth-Graders) Orientation. P.A.W.S. is a program that is designed to ease the anxiety of the transition to middle school.

We are looking forward to welcoming you into the Still Middle School family. If you have any questions or concerns regarding the transition process, feel free to contact one of us at (630) 375-3900.
