

Greetings Pioneer Families!

STEM night is right around the corner...

We are very excited to announce Gregory Middle School's STEM night taking place on **Thursday, April 19th, from 6pm-7:30pm.**

STEM night this year will feature closing remarks from Congressman **Bill Foster** representative of the 11th Congressional District of Illinois. He will share with students and parents the importance of STEM education.

This night will also involve several FUN group/family engineering activities and STEM challenges. Attendees will have the opportunity to travel to different stations where they can create and participate in some hands-on science.

This is a family event and students of all ages are encouraged to attend with their families. No sign-up is necessary!

Cupcakes will be provided!

If you have any questions, please email either Maria Santoyo (maria_santoyo@ipsd.org) or Ann Weinstock (ann_weinstock@ipsd.org)

(Families will enter through Door 1)

Thank you!

Maria Santoyo and Ann Weinstock
