

Please join us in Celebrating our Fry

Teachers and Staff the week of May 7th!

Monday: The PTA will provide the staff with a *Breakfast of Champions*. **We ask that our Fry parents and students let your teachers know why they are our MVP's with handwritten notes & cards! Please send them in with your child on Monday.** Don't forget to include all of their teachers!

Tuesday: The PTA will be treating our staff to *concession stand stacks* today in the teacher's lounge. **We are asking our Fry students to wear their homeroom teachers' favorite color today to show how crazy we are for them!**

Wednesday The PTA is providing a catered *tailgate lunch* for our staff as well as a small gift to thank them for making Fry such an incredible school! **Please have your students wear attire from their favorite sports team today.**

Thursday: To get our teachers through the *7th inning stretch*, let's show our appreciation by refilling their classroom supplies today. **Please have your child bring in a school supply for their teachers today.** Popular suggestions: post-it notes (different sizes, colors), Expo markers, Sharpie markers, Flair Pens in various colors and cute notepads/notecards.

Friday: Our teachers and staff at Fry are one of the greatest gifts in our children's lives. **Let's shower them with thoughtful gifts of your choosing today!** The PTA will be providing plenty of desserts today to give them a timeout for treats!

To go our sports theme, we are asking students to nominate a staff member who has been their MVP (Most Valuable Player) this year. A box will be in the LMC for students to drop nominations in, and we'll draw a winning name on Friday, May 11th!
