

# Please Join Us in Supporting Indian Prairie Parents Council School Supply Gift Card Drive

District 204 currently has 18 percent of its students qualifying for free or reduced lunch. This translates to more than 5,000 students. Purchasing school supplies so children are prepared for the school year can be particularly challenging for low-income families.

To address this problem, the Indian Prairie Parents' Council (IPPC) is hosting a drive to support families who may need assistance when their children return to school in August. If you would like to help make a difference for these families, you can make a donation in any amount to IPPC through [PayPal](#). Monies collected will be used to purchase Meijer, Walmart and Target gift cards for distribution through the schools to families in need. IPPC is accepting donations now through May 18.

Together, we can make sure every child is ready for a new school year.
