Issues Accessing GCN Training Modules

Some websites request that you allow an add-on to the web browser. If you trust the site in question then you should click the yellow bar below (sometimes the bar is on the bottom of the screen instead of the top)

For the District compliance training at www.gcctraining.com it will look like this.

When you reach this point, click the  bar.

When you have clicked the bar will turn blue. Select **Run Add-on**.

A new window will appear, click **Run**.

Now the Site will work
