

On-line Report Card Viewer

Beginning with the 2008/2009 school year, QUARTERLY REPORT CARDS will no longer be mailed. Report cards will be available at <http://reportcard.ipdsd.org>. The same Pinnacle password and login will be used to access the report card. The report card will be in a format which allows for easy printing and viewing. Quarterly grades, teacher comments, and student's grade point average will all be included on the report card. ***Please notify your child's school of your correct email address if you haven't done so already.***

At the end of each quarter, schools will send an email reminder to inform you of the date when the quarterly report card will be available.

By posting the report cards on-line we are confident that parents will receive report cards in a timely manner at the end of each quarter. Questions regarding access to Pinnacle or the report card can be addressed to the Guidance office at your child's school.
