

Dear Parents,

If you would like to donate items to your child's classroom, please choose from the list below:

Prairie Children Preschool Donation List

- Crayola Pipsqueak Markers (Regular Tip)
- Crayola Washable Watercolor Paints
- Elmer's Glue Sticks (large and small)
- Washable Dry erase markers (low odor)
- Scotch brand clear packing tape
- Duck Tape
- Stickers (a variety of styles and sizes)
- Peel and stick white Velcro (roll, squares or dots)
- Plastic storage baggies (Ziploc or Glad easy zipper style – all sizes)
- Facial tissue
- Paper towels
- Shaving Cream (Not Gel)
- Store gift cards (Wal-Mart, Target, Amazon, Michaels Craft Store, Jewel, Aldi)

Also, please check out the "Giving Tree" which will be hanging in your child's classroom. The "Giving Tree" will have post-its marked with items your teacher is requesting for science, cooking and other classroom projects.

Thank you for donating! 😊

SCHOOL REQUESTS

Backpack: A backpack (no wheeled carts) is necessary to transport important information and projects from home and school. Please consider your child's size when purchasing a backpack; an 8 ½" X 11" size is appropriate.

Supplies: A donation list is found on the backside of this page. Donated items will not be returned at the end of the year.

Clothing: Send your child in comfortable clothing. Active participation may involve messy play. Clothing should not discourage your child's participation. It should also be appropriate for the weather. In case of accidents, an extra set of clothing is requested—please send extra clothing for both cold weather (long sleeves, pants, socks and underwear) and for warm weather (short sleeves, shorts, socks and underwear). Please label all clothing.

Potty Training: Training is not mandatory, but encouraged.

Bicycle Helmet: There will be opportunities for your child to ride tricycles at school. We recommend you supply a helmet for your child to be kept at school during bike-riding seasons. Please make sure your child's helmet is labeled with his/her name.

Please note: Several children in the Preschool have severe allergies to all nut products. A life-threatening anaphylactic reaction can occur when one of these children has skin contact or ingests even small amounts of certain products. Strict avoidance is the only way to prevent an allergic reaction. It is also important to speak to your child about **never** sharing any food or snacks with the other children.
