

# Adaptive Play Time

DuPage Children's Museum is dedicated to being an accessible, inclusive environment for children to thrive through extraordinary learning experiences. Adaptive Play Time provides a modified environment for play and learning for children and their caregivers.

**This program is intended for families with disabilities and/or those who may need a calmer environment to experience the Museum.**

## Museum Environment and Modifications:

- Limited attendance
- Sensory Kits (noise reduction headphones, fidget objects, weighted neck wraps, timers, social stories, and more!)
- Noise and light reduction
- Visual cues in exhibits
- Respite Room for sensory breaks
- Dedicated DCM staff and volunteers to provide a supportive environment
- Exhibits feature hands-on ways to play, explore, and create
