

Jump into a Parent Conversation Circle!

Join other parents/caregivers as you explore answers to some of your parenting questions.

Conversation Circles offer parents/caregivers the opportunity to come together as a **Community**: Guided by a curriculum and led by a trained facilitator, circles explore everyday stressors and risks that our children are facing and provide parenting strategies and resources to challenge our children’s choices about social issues, drugs and alcohol. Circles meet for 5 weeks at various locations & times.

Questions? info@parentsmattertoo.org

Participation is free. Regular attendance requested. Registration required.
