High School Students are encouraged to submit artwork for display in the Capitol and Congressman Foster's District and Washington, DC offices.

Each spring, a nation-wide high school arts competition is sponsored by the Members of the U.S. House of Representatives. The Artistic Discovery Contest is an opportunity to recognize and encourage the artistic talent in the nation, as well as in our congressional district.

The Competition is open only to high school students who reside in the Illinois 11th Congressional District or who are eligible to attend public high school in that district.

The winner will receive two tickets to see their artwork installed at the United State Capitol
