

## \*Calling all kids ages 8-11\*

Naperville Area Humane Society is offering one-day camps on Martin Luther King Jr. Day and President's Day

These one-day camps at Naperville Area Humane Society (NAHS) allows children to spend some fun time doing crafts and activities while learning about pet care and how to be safe around animals. We will explore cat & dog body language, learn about picking and making great toys and, of course, spend some time with our animals.

### HAPPY PRESIDENTS' DAY

### PRESIDENTIAL PUPS

In each camp, children will learn about empathy and the importance of being kind to any and all living creatures through interactive lessons, games, and crafts. Kids will also help make and distribute enrichment items for the NAHS dogs and dog treats to donate & take home. Pizza, juice, and craft items are included.
