

# Hindi Gurukul Registration—2018-19

## Still Middle School in 204 School District

Register here: <https://www.eventcombo.com/e/Hindi-Gurukul-Registration-31174>

Hindi Gurukul offers Sunday Hindi classes under a structured curriculum every academic year. 2018-19 academic session starts from September 9th. We meet every 2nd and 4th Sunday of the month at Still Middle School Naperville..

Our curriculum is recognized by Illinois State Board of Education to meet foreign language learning standards and our teachers are trained to teach Hindi as a foreign language under nationwide Startalk program administered by University of Maryland. Our curriculum is structured to address Hindi proficiency in all three modes of communication interpersonal, presentational and interpretive in line with the ACTFL Assessment of Performance toward Proficiency in Languages (AAPPL) test.

We also teach Indian history and culture as part of our curriculum that develops a strong bond among Indian heritage students with their ancestral land

“Distribution of information and materials through the school district does not imply District 204 endorsement.”
