

As parents we always want to give our children the very best that life has to offer. We want them to be exposed to a variety of opportunities and adventure. Safe 'n Sound YMCA Summer Camps do just that! We offer children the chance to explore the world, try new things and build strong friendships and great character. Our camps take campers on weekly fieldtrips and to the pool twice a week. Your child will spend their summer outside in the fresh air and staying active all day.

The camp day is 9am-4pm, but we do offer extended care hours starting and 6:30am-6:00pm.

Safe n Sound has two camp locations.

Downtown Naperville

Summer Adventure
Judd Kendall VFW Post
908 Jackson Ave

Aurora Location

Camp Aurora
Nancy Young Elementary School
800 Asbury Drive

BRAND NEW THIS YEAR AT CAMP AURORA!

Teen Camp (12-16yrs. Old)

This camp will provide a safe and social atmosphere for teen campers. Our goal is to offer a summer full of fun so they won't feel like they are in day camp but like they have an opportunity to socialize, hang out with friends and learn new skills. This summer will be full of leadership opportunities, new experiences and the exploration of building skills to relevant and fun activities. Our teen campers will go on different fieldtrips weekly and travel to new water parks. They will have private weekly cookouts in true camp fashion.

Specialty Camps

A summer can be a busy time for families, so enrolling in a summer long program may not work well for some. New this summer, Safe 'n Sound is offering a few week long specialty camps that will entice your budding artist, engineer and creative kid. Each specialty camp will take part in the traditional camp fieldtrips and pool days as well.

Movie Making: (8-13yrs) June 6th-12th

Does your child dream of creating their own movie? Campers will gain hands-on experience through learning basics of movie production, such as planning, filming and editing.

littleBits:(8-12yrs) June 22nd-26th

This STEAM based program enables youth to invent and create using littleBits electronics and robotics. This camp helps foster problem solving and critical thinking skills.

Creative Arts (6-10yrs) July 6th-10th

Get creative, get messy and have fun creating art! Campers will explore and experiment with different mediums to express their creativity.

Call us today at 630.585.2207, to register your child for Summer Camp. Our friendly customer service team will be happy to assist you.
