

Afterschool Enrichment Solutions presents
an Afterschool Chess Club
and "Let's Build It!" Engineering
with Professional Instruction at May Watts
Elementary

Fall session: 9 classes on Fridays, 3:35-4:35pm.
October 13th – December 15th, no class 11/24.

CHESS

Develop your child's intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Also, chess has been proven to enhance children's motivation, concentration, focus, social skills, and creativity. Open to grades K-5.

LET'S BUILD IT

Let's Build It Robotics – Gears and Gizmos! Design and build your own robots! Your child will explore the field of robotics through a series of exciting and dynamic lessons. Students will learn about mechanical engineering as they construct and use robots to complete tasks and engage in competitions. A variety of topics will be covered including gear ratios, electricity, rotation, friction, force, transmitters and LEDs. This course gives students the opportunity to experience the captivating world of robotics in an inviting and fun environment. No previous experience is necessary; both new and returning participants are welcome! Each participant will receive an award on the last day of the session, and will have the opportunity to earn Energy Belts by demonstrating their learned skills. Open to grades 1-5.

To sign up for the **Chess Club**, or please visit <http://www.chessscholars.com/signup> . You will need to enter the class code MWN10.13.17 in order to register. Please register by October 3rd for the early bird price of \$138.00.
