All new lessons every class - here are some samples of what's coming up in the weeks ahead!

Young Rembrandts Lesson

REMBRANDT

Draw a portrait featuring Dutch painter, Rembrandt van Rijn. We learn about this master artist and his contributions to the art world. An excellent opportunity to draw a face and strengthen our shading technique with colored pencils.

FIRE TRUCK

Draw this detailed fire truck. Using geometric shapes like rectangles, squares, and circles, carefully construct this vehicle masterpiece. A mounted ladder, coiled hose, and roof lights are some of the intricate details we add.

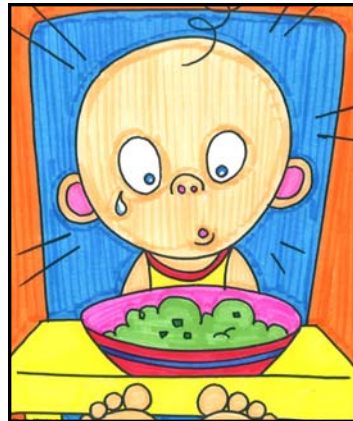

THE DINOSAUR

Draw this wonderful triceratops. We personify this dinosaur into a fully realized cartoon character. A great lesson for figure drawing, facial expression, and body poses. A prehistoric friend brought to life with a personality and vibrant colors.

THE BEACH LIFE

Imagine the warmth of the beach as we draw this colorful beach still life. A large bucket filled with sand, patterned beach ball, and seashells in our composition. We apply vibrant colors that are associated with summer time!

MESSY BABY! Draw a baby in his high chair. A humorous sequence depicts the baby being very hungry to having his bowl of food on his head. We learn to convey emotion thru both facial expression and body language.

MONKEY EXPRESSIONS

Monkeys! Although monkeys have the same basic elements, we will make adjustments to the features to show their different moods. Happy monkey, Surprised, Nervous monkey, and a very angry monkey.

Your child will learn these skills and techniques during Young Rembrandts' classes. Each week your child draws new images, learns new vocabulary and has fun discovering art and the Power of Drawing!
