

Gombert Elementary PTA Membership Form 2021-2022

A portion of all membership dues goes to the State and National PTA's to support their programs. The rest stays at Gombert and helps with the cost of programs and activities we provide throughout the year.

The PTA spends money earned through fundraisers and dues each year on programs such as:

- | | | |
|-------------------|---------------------------|---------------------|
| Movie Nights | Ice cream social | Field trips |
| Trunk or Treat | Science Fair | Multicultural Night |
| Family Fun Events | Teacher Appreciation Week | Room parties |
| Teacher Grants | Family Literacy Night | and so much more! |

Your membership dues do not draft you as a PTA volunteer. A member is someone who joins the PTA and receives the benefits of membership: 1) right to vote on PTA matters; 2) access to the PTA Online Directory. A PTA volunteer is someone who takes their membership to the next level and supports the PTA by donating their time or talents. Together we make a difference in the lives of all Gombert students!
